#LAFROCKS PUBLIC ART PROJECT

Event Partners: DTE Foundation, Michigan Arts & Culture Council, Muskegon Museum of Art, Landscape Supplies

Each year LAF adds an element that is engaging for the community. This year, the festival will include the #LAFRocks Public Art Project featuring rock art in multiple forms.

Six local artists have been selected to create artistic masterpieces out of small boulders. The final artwork will be displayed throughout the festival footprint, and guests are encouraged to visit each one.

In addition, Muskegon Museum of Art will be hosting a rock decorating booth in the roundabout. The public is invited to get creative by painting a small stone. This project derives from a viral trend where people paint pebbles or stones and leave them for others to find and collect. Help us spread art, kindness and positivity throughout West Michigan!

Visit all #LAFRocks locations!

- On 4th St near the Western Ave roundabout
- Near the intersection of 3rd St and Western Ave
- On Western Ave in front of Unruly Brewing/18th Amendment
- On 3rd St near the Olthoff Stage
- In Hackley Park near the stage
- Near the splash pad on Western Ave
- Interactive community art rock decorating booth in the Western Ave roundabout

Thank you local artists for participating:

- Andrea Vance / Peace Rocks
- Robin Latsch
- Megan Dewitt
- Audrey Link
- Mary Jo Ernst
- Kelly Vander Kley / Andrew Turk

Decorate your own rock at the Western Ave roundabout!
