The area will feature free or low-cost family-friendly, kid-centered arts, crafts, education and more. ART IS...[COLLABORATIVE] PUBLIC ART PROJECT

Event Partners: Muskegon Museum of Art

Each year LAF adds an element that is engaging for the community. This year, the festival will feature a custom large paint by number mural entitled "Shades of the Shoreline City." Festival goers are invited to be a part of the art by contributing their own artistic touch to the mural. Once completed, this collaborative masterpiece will be permanently displayed at a City of Muskegon building—leaving a lasting mark of creativity and community for years to come.
